Dear Reader,

[You could be on your way to some of the largest profits of your life.](#)

I mean it.

Here's a few of our recent winners:

**245%** - Walt Disney Co (DIS) buying option call entry @ \$0.53

1 contract invested \$530. **Profit \$1298** in 1 Day.

**511%** - Wynn Resorts (WYNN) - buying option call entry @ \$0.27

1 contract invested \$270. **Profit \$1379** in 1 Day.

**118%** - Nike (NKE) - buying option call entry @ \$0.67

1 contract \$670. **Profit \$790** in 1 Day.

**\$3500** profit in one trading day, Friday.

Over 12 months, you could've turned **\$1500** into **\$115,000** trading only one contract per symbol, and that includes all your wins and losses.

## 100% WIN PROBABILITY SCANNER

P.S. The secret to finding these plays is using my 'Probability Scanner' identifying bullish stocks with 90% to 100% WIN probability.

[Click here to see what I mean \(because there's potentially triple digits on the line for you\).](#)
